How To Avoid Phone Scams: DON'T TRUST CALLER ID

Your caller ID might show a real government agency or company name or phone number.

But scammers can fake caller ID. **Don't trust it** — even if it looks real.

Here's what to do:

- ▶ **Get call blocking apps or services.** This will help you get fewer scam calls.
- ▶ **Only call a phone number you know is real if you want to confirm.**
- ▶ **Report scam calls.** Tell the FTC at [ReportFraud.ftc.gov](https://www.ftc.gov/report-fraud).
