# Commitment to our Community

## The Credit Union Difference

DFCU is proud to work with the local YMCA. This year, we upped our donation to the YMCA's Be A Hero campaign to **\$1,500.00!** The Y is a staple to downtown Plattsburgh and our community in the north country and they continue to grow. They offer many services and entertainment to help make your lifestyle healthier. Child care services are a huge focus at the YMCA. Over 600 children attend their after school and child care programs daily. Over 250 children participate in their swimming program. Over 500 children attend their summer programs. Over 400 children participate in youth sports. The YMCA serves over 1,400 community members.

The YMCA's mission is to strengthen our community through their programs that focus on youth development, healthy living and social responsibility, all while offering their space for new friendships, lifestyle changes and entertainment! We are thrilled to donate to the local YMCA and cannot thank them enough for everything they provide our community with.

**Each year DFCU supports our community and in 2021 our donations exceeded \$35,533.00!!**

# Onward & Upward at DFCU!

As we continue to grow, we are always looking for ways to make our member's experience better. Our Digital Service & Systems Optimization Manager, Brad Currie, has been hard at work launching an all new online & mobile banking system for DFCU. We launched on August 15, 2022 and are so thrilled with this upgrade! Our DFCU team worked diligently to help members access their information and upgrade accordingly to their mobile devices.

DFCU Mobile App is officially optimized for tablets! Enrollment is now possible directly from your tablet and/or smartphone. Along with a new look & feel, we launched upgrades to BillPay, Credit Sense, Quicken Web Connect and Statements/eStatements.

We are excited to announce new services, including Live Chat for quick assistance if you need some extra help. When you contact us using the ChatBot, users receive a prompt response in under 3 seconds. Within online banking, members can use "Builder", our personal finance management tool. We are striving to give our member's more data and resources right at their fingertips while keeping your finances secure.

We wanted to thank each and every member for their patience as we launched this new platform. Without you, this wouldn't be possible! If you have additional questions, feel free to contact us!
